Deoghar, Jharkhand, India

EDUCATION

Narula Institute of Technology

Bachelor of Technology in Computer Science and Engineering; CGPA: 8.4/10.0

Kolkata, West
Bengal

High School Sonaraythari

Intermediate in Mathematics and Computer Science; Percentage: 82%

Aug 2024 – Jul 2028

Deoghar, Jharkhand

TECHNICAL SKILLS

*Aug 2021 – Aug
2023*

Programming Languages: C++, Python, C

Web Development: HTML5, CSS3, JavaScript, Frontend Development

Data Structures & Algorithms: Proficient in DSA with C++, Problem Solving

Developer Tools: Git, GitHub, VS Code

Coursework: Data Structures, Algorithms, Object-Oriented Programming, SQL in Database

EXPERIENCE

Elite Coders

Remote

Open Source Contributor

Dec 2025 – Present

- Contributing to open source projects, implementing features and fixing bugs in collaborative development environment
- Participating in code reviews and following best practices for version control with Git and GitHub

Elite Coders

Remote

Campus Representative

Dec 2025

- Promoted Winter of Code program and technical courses to 500+ students across campus
- Organized technical workshops and coding sessions to increase student engagement in competitive programming

Udgam, IIT Guwahati

Remote

Campus Ambassador Intern

Nov 2025 – Dec 2025

- Promoted entrepreneurship events and drove participation through social media campaigns reaching 1000+ students
- Organized campus activities and managed event logistics for technical and entrepreneurial workshops

JYESTA Corporate Entity

Remote

Campus Ambassador

Jul 2025

- Executed marketing campaigns to spread awareness about technical courses and workshops among students .
- Managed event organization and hosted workshops on emerging technologies

PROJECTS

FRONTEND | Developed a responsive personal portfolio website showcasing projects and skills and HTML Cheatsheet

Problem Solving Practice | C++, *Data Structures, Algorithms* Solved 100+ coding problems on platforms like LeetCode and Geekforgeeks, focusing on optimization and algorithmic think

CERTIFICATIONS & ACHIEVEMENTS

Python master: Introduction to Programming Using Python

Sourcify Community: Fundamentals of Frontend Development

Unstop: hackathon experience in Cosmohack1 , Encode, Code@frost hackathon first runner up organized by Asansol Engineering College and also participated in many coding contest like code clash. Ai-thon
